

Welcome to the Village of Pentwater we hope you have a lot of fun while you're here. One of the best things about the Village is the small town atmosphere. Pedestrians, bicyclists, motorists, and skateboarder all share the streets of the Village.

When you visit we ask that you practice some quick and easy safety rules:

### Pedestrians Safety

- Don't rely solely on pedestrian signals and signs, look both ways when crossing the road;
- Parents should keep your eye on young children at all times. Make sure they aren't playing in the street;
- Don't text and walk, pay attention to what is going on around you;
- Always cross at the corners, don't cross in the middle of the block;
- Always look for signs that a vehicle is about to move, wheels moving, sound of a motor, turn directional, rear lights or exhaust smoke;
- Make eye contact with the driver of a stopped vehicle to ensure they see you when they are stopped and you are crossing behind or in front;
- When walking at night cross the street at a well-lighted area;
- Carry a flashlight or other bright light device when walking at night. Remember to walk against the flow of traffic if walking in a street;
- Wear reflective clothing when walking at dawn, dusk, or at times when visibility is restricted.
